Maine Shared Community Health Needs Assessment County Summary: 2015

York County

November 2015

Qualitative Stakeholder Input

A survey of 86 health professionals and community stakeholders in York County provided insight into the most critical health issues and determinants impacting the lives of those living in the area. According to these stakeholders, the following five health issues and health factors have the most impact on York County resulting in poor health outcomes for residents.

Top five health issues

- Mental health
- Drug and alcohol abuse
- Obesity
- Physical activity and nutrition
- Tobacco use

Top five health factors

- Poverty
- Transportation
- Access to behavioral care/mental health care
- Health literacy
- Housing stability

	Thousing stability
